Notes :

1) The Above Financial Results were reviewed by the audit committee of the board on 29th May 2026 and approved by the Board of Directors of the company at their meeting held on same date. The Statutory auditors have expressed on unmodified opinion. The auditors report has been filed with stock exchange and is available on the company's website. The Financial results have been prepared in accoradance with Ind AS notified under the Companies (Accounting Standards) Rule, 2015.

2 a) Exceptional items - Fire Incident (Uninsured Loss)"During the reporting period, on 18th May 2025, a fire occurred at the Company's factory located at Lote Parshuram Industrial area (our Mother Unit located at Plot No. C-4) in Ratnagiri, Maharashtra, resulting in significant damage to inventories, property, plant and equipment, office area and disruption of operations. This unit was central to our primary production activities, and as a result of the damage caused by the fire, all production processes have come to a halt.

The other owned/ leased units of the Company were dependent on the output from the C-4 unit for further processing and production. In the absence of operations at the Mother Unit, activities at all subsequent units have also ceased. The Company has duly intimated the stock exchanges, the Factory Inspector, and the Office of the Labor Commissioner regarding the suspension of operations.

The affected assets were not covered by insurance. As a result of this substantial loss has been recognised as exceptional items in earlier periods: (Rs in Lakhs)

a) Inventories	1,273.62
b) Property, plan & Equipment (provisional)	700
c) Other expenses	83.85

2 b) During the Quarter, the Company has written off Capital Work-in-Progress (CWIP) amounting to Rs. 46.27 Lakhs relating to Factory Building and Plant & Machinery, as the respective projects/assets were found to be non-viable and not expected to generate future economic benefits.

The said write-off has been disclosed as an Exceptional Item in the Statement of Profit & Loss for the year

3) Impairement of tangible assets:

Following the fire incident at the factory premises, the Company has been facing severe operational disruptions, resulting in complete stoppage of production activities. Due to the non-operational status of the factory and consequent financial constraints, the Company was unable to disburse salaries/wages to certain labourers and workers.

Subsequently, an unrecognized labour union initiated a strike and protest outside the factory premises, thereby obstructing ingress and egress to the factory. Owing to the aggressive and hostile behaviour exhibited by certain workers during the protest, various professionals proposed to be engaged by the Company, including valuers, chartered engineers, and other technical experts, expressed apprehension and reluctance to enter the premises for assessment purposes.

The Company has also lodged an official police complaint in this regard seeking necessary assistance and protection. However, due to the lack of effective intervention and inaction by the concerned authorities, the management has been unable to gain proper access to the premises for conducting inspection and assessment of the actual damage caused by the fire incident.

Based on the preliminary observations and available information, the management is of the opinion that a substantial portion of the Plant & Machinery has been severely damaged/destroyed in the fire incident. However, the Company is presently unable to ascertain and quantify the exact extent of loss and damage until a detailed physical inspection and technical evaluation is conducted.

4) Going concern : The management expressed its inability to commence manufacturing activities in it's facilities which is attributable to a range of challenges, including pending statutory clearances and certain operational constraints. They are actively exploring alternative options to enter into contract manufacturing arrangements and/or leasing the facility, subject to receipt of necessary regulatory approvals and consents.

The Company is evaluating its recovery and rebuilding strategy, including potential funding arrangements to restore operations.

5) The Company had, in earlier years, created a full provision amounting to Rs. 441.63 Lacs against advance recoverable from Omkar Speciality Chemicals Private Limited considering uncertainty of recovery."During the year under audit, pursuant to the order passed by the National Company Law Tribunal (NCLT), the Company received a proportionate recovery of Rs. 2.35 lakhs. Accordingly, the provision created earlier has been reversed to the extent of recovery received and the balance amount remaining unrecovered has been written off as bad debts / advance in the Statement of Profit and Loss.

6) During the year, the Company has received various notices/demand orders under the Goods and Services Tax ("GST") laws aggregating to Rs. 3,810.93 lakhs pertaining to various assessment periods. The Company has filed appeals/appropriate responses against such notices before the relevant appellate authorities and is contesting the matters based on legal advice received."Pending final adjudication of the matters, the management believes that the Company has a strong case on merits and accordingly no provision has been considered necessary in the financial statements in respect of the aforesaid demands. The amounts disclosed represent contingent liabilities and do not include interest and penalty, wherever unascertainable.

7) Government grants : Subsequent to a fire incident at the manufacturing facility, the Company's production operations were suspended, resulting in uncertainty relating to fulfillment of conditions attached to the grant for future periods."Accordingly, management has discontinued further recognition of Government Grant income on accrual basis pending restoration of operations and reassessment of compliance with the applicable grant conditions.

8) The bank balance confirmation of bank accounts having book balance of Rupees 5.75 Lacs as on 31-12-2026 & Fixed deposits confirmation of book balance of Rupees 26.42 Lacs as on 31-12-2026 could not be obtained as these accounts and fixed deposits are in dormant status.

9) As the goods were destroyed before transfer of risk or ownership, the transaction is governed by the doctrine of force majeure / supervening impossibility under Section 56 of the Indian Contract Act, 1872. Accordingly, revenue recognition in respect of the said invoice stands suspended pending determination of legal outcomes. The advance received from the said customer has been retained in the books as a continuing liability under "Other Current Liabilities – Force Majeure Suspense", to be adjusted upon final settlement of the mutual closure with the customer. For abundant clarity, this amount does not represent a debt due or payable as at the reporting date; its treatment remains contingent on future adjudication.

10) The Company has single business segment i.e. Active Pharmaceutical Ingredients (API), therefore, in the context of Ind As 108, disclosure of segment information is not applicable.

11) Figures of previous period have been re-grouped / reclassified wherever necessary, to confirm to this period's classification.
